Management is responsible for the accompanying financial statements of Lexington Lakes Condominium Association Inc, which comprise the balance sheet as of December 31, 2016 and the related statement of assessments, revenues and expenses - budget/actual for the periods indicated thereon in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statement on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures and the statement of cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures and the statement of cash flows were included in the financial statements, they might influence the user's conclusions about the Association's financial position, results of operations and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The supplementary information contained in the Balance Sheet Supporting Schedules is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the representation of management. The information was subject to our compilation engagement; however, we have not audited or reviewed the supplementary information, and, accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on it.

Management has omitted supplementary information about future major repairs and replacements of common property that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.
